

Dear Students and Parents,

**MS**

I'm very excited to announce our 2008 missions trip dates and locations.

Enclosed is the sign up forms that will need to be turned in with the first deposit, as well as our trip meeting schedule for the spring. Unfortunately I'm unable to give you a final price at this time since we still need to finalize our travel arrangements. I'm able to provide a price range to hopefully give you an idea of what the final cost will be. Our hope is that we would be able to fly to our trip destination this year since so many low cost airlines like Southwest, Airtran, and Jetblue provide transportation to our location. These airlines do not have a schedule available for the dates we will be traveling as of yet so they are not able to give us a set price or book our tickets. This information may not be available from them till January. As soon as we have finalized our travel plans whatever they may be we will let you know as soon as possible

Also, we will be selling Wawa hoagie coupons starting November 7<sup>th</sup>. You can find forms and information in the Wawa slot of the youth ministry team mailboxes in the church office.

In addition we will be starting a youth service program called Student Impact. This is for students who are interested in doing odd jobs to raise money for their mission trip. You can find more info on the form located in the back of the packet. If you have any questions please feel free to let us know.

In Him,

Josh Mularski

Dear Family and Friends,

I am writing to let you know of a great opportunity God has given me and how you can help. On June 21, 2008, I will be leaving with St. John's Youth on a mission trip to Orlando, Florida. While in Orlando, I will be part of a team repairing homes and facilities of local residents in need, as well as working with community organizations that are providing the essentials for the urban poor. I will be in Orlando from June 21-29. I am so excited that God is going to work through me... and in me while on this trip.

As my family and friends, you can help me in two very important ways. First and most importantly, I NEED YOUR PRAYERS! It will be only through God's power that this trip can be successful. Second, a trip like this requires financial support. I am trusting God to provide this, and I am asking you to help. I am committed to going to Orlando, Florida, and I am asking you to be a part of my experience by helping to support this trip. Please make checks payable to "St. John's UMC", with my name in the memo section. All money received will go directly into an account to be used for my trip expenses (travel, registration, supplies, room, and board).

Thank you for your love and support. Please pray for our team as we prepare for our trip to Orlando, Florida, pray for the people, and please remember to pray June 21-29!

Sincerely,
